2. A dog must be entered in the lowest scheduled class for which it is eligible and may also be entered in another class if desired plus one additional class at the society's discretion. Exemptions from this regulation are:- A dog entered in a Good Citizen Dog Scheme Special Pre-Beginner Obedience Stakes Class or
3. Societies may schedule classes other than those defined below. The eligibility for "special" classes must be defined by the society and included in the schedule. The word "special" must be included in the title of the class.
4. Progression may be on wins or progression points and the handler may select their preferred means of progression on a class by class basis. A class will be won by the dog that has lost the least number of points in the test, unless otherwise stated for special classes.

INTRODUCTORY CLASS - To compete in the introductory class a handler or dog must not have gained a 1st place in any obedience class and have not elected to progress on points from Introductory

PRE-BEGINNERS - To compete in pre-beginners a handler or dog must not have won two 1st prizes in either pre-beginners or beginners nor gained a 3rd place or above in any other obedience class. (Introductory class excepted.) and have not elected to progress on points from Pre-Beginners

BEGINNERS - To compete in beginners a handler or dog must not have won a total of two or more 1st prizes in beginners class, or one 1st prize in any other obedience class. (Introductory class and pre-beginners excepted) and have not elected to progress on points from Beginners; plus, the handler must not have won a first place in any other Obedience class (Introductory class, Pre-Beginners and Beginners excepted) and have not elected to progress on points from Novice. Handlers that have previously entered Novice as their lowest available class before 31 December 2024 may elect to continue to treat Novice as their lowest available class. Once they have elected to do so they will not be eligible for Beginners thereafter.

NOVICE - For dogs which have not won two 1st prizes in obedience classes. (Introductory class, pre-beginners and beginners excepted) and where the handler has not elected to progress on points from Novice.

CLASS A - For dogs which have not won three 1st prizes in class A, B and open class C in total and where the handler has not elected to progress on points from Class A.

OPEN CLASS C – At open and premier shows, and in the open C classes held at championship shows, open to all dogs.

Progression on wins. Progression from each class will be determined by the eligibility for the class as referenced in Regulations G(A). To count for progression wins must be gained in standard classes at Kennel Club licensed Open, Premier or Championship Obedience shows. A first place will count towards progression.

Progression on points. At the handler's discretion a dog may progress up to the next class, up to and including into Open Class C by gaining points at each level, using the Obedience Excellent scale of points scheme as follows:

- Ten points for first prize
- Four points for second prize
- Two points for third prize
- One point for fourth prize

If this method of progression is selected, the handler must ensure the show secretary/chief steward signs the dog's Obedience Record Book at the first show entered in the higher class. There is no time limit on this progression, however, once a dog or handler has progressed, they cannot return to the class that they had progressed from. All wins and places to fourth since 1 January 2019 can be included when calculating points. Points are specific to a particular class and cannot be used against a lower or higher class.

Points required for progression on points are as follows:

1. 10 points required for progression from Introductory
2. 20 points required for progression from Pre-Beginners.
3. 20 points required for progression from Beginners.
